

Compact Hot Food Merchandisers

1210-3P, 1210-4P

Ideal for convenience stores, mini-markets, delicatessens, or any place where counter space is limited.

Model 1210-3P Shown (pans optional)

Standard Features

- Merco's patented EZ-Insert® heat tubes
- Insulated heat cable base
- Individual, infinitely adjustable heat controls for top and bottom heat
- Bright incandescent illumination with on/off switch
- Rugged stainless steel and aluminum construction
- Removable sliding glass doors
- Removable front and end glass panels
- Pan rack (pans optional)
- Adjustable NSF-4-inch legs
- 6-foot cordset

Merco Compact Hot Food Merchandisers are available in two different models. Both models feature Merco's patented EZ-Insert heat tubes for gentle yet thorough warming and simple snap-in tube replacement. Merco Compact Hot Food Merchandisers are manufactured from heavy-gauge aluminum alloy specifically selected for even heat transfer and stainless steel for long life.

Cabinets feature bright incandescent illumination to display food in its best light. Individual, infinitely-adjustable control of both top and bottom heat provides precise warming without continued cooking or drying of food. Removable sliding glass doors on cookside for easy access. 6-foot cordset is provided for easy installation.

Electrical Requirements

Both models available in 120, 120/208 or 120/240 Volts, single phase AC.
